

Daniela Torres Almeida

Software Developer in Training | Full-Stack · Software Engineering · Automation

Cascais / Lisbon area, Portugal | +351 962046821 | daniela@torresalmeida.com

Portfolio | github.com/danielatorresalmeida | LinkedIn

Professional Summary

Career changer into software development, with practical full-stack work using Java 21 / Spring Boot, React / TypeScript, PostgreSQL, REST APIs, Git/GitHub and CI. Previous Software Development Intern at FloLabs Innovations Group, working on APIs, integrations, workflow automation and software testing, with exposure to Python/FastAPI. Currently attending the CESAE Digital Software Developer programme and learning C#, following a completed 350-hour IEFP Java course. Seeking a curricular FPCT, with the aim of progressing into a Junior Software Developer position.

Software Development Training

Software Developer - CESAE Digital · PRO_MOV by Reskilling4Employment | 22 Sep 2026 - 20 May 2027. In progress; current learning includes C#. 1050 hours: 50h transversal skills, 600h technical training and 400h curricular internship / FPCT. FPCT: 1 Mar 2027 - 20 May 2027.

Programming Languages - JAVA - IEFP / Centro de Emprego e Formação Profissional de Faro | 350 hours; completed Jul 2026. Java, Java Web Development, algorithms, C/C++ fundamentals, SQL, database access, Software Engineering, development methodologies and programming projects.

Website Design - IEFP | 25 hours; completed Mar 2026.

Fundamentals of Quality Assurance Engineer - Udemy | Jul 2025.

Foundations of Software Testing and Validation - University of Leeds | Jul 2025.

Python Software Language - Programming Hub | Started Aug 2025; completion not confirmed.

Experience

Software Development Intern - FloLabs Innovations Group

Aug 2025 - Sep 2026 | Remote

Front-end implementation using HTML, CSS, JavaScript and TypeScript.

Worked on APIs, integrations and workflow automation, including Notion to Discord automation using AWS Lambda.

Exposure to Python/FastAPI; testing, debugging and technical documentation.

LLM Trainer - Portuguese & English

Aug 2024 - Sep 2026 | Remote

Evaluated and reviewed AI-generated prompts and responses for accuracy, relevance, consistency, and linguistic and cultural adequacy.

Music Educator

2018 - 2025

Taught voice, piano, violin and viola at various institutions.

Hospitality - Cook & Baker Roles

2016 - 2018 | Cantinho do Avillez · Gleba Moagem e Padaria · Lagoas Park Hotel

Food preparation, pastry and bread-making.

Technical Skills

Programming: Java · C# (currently learning) · JavaScript · TypeScript · C · SQL

Front-End: React · HTML · CSS · Responsive Web Design · Accessibility

Back-End & APIs: Spring Boot · REST APIs · JPA · Python/FastAPI exposure · Firebase

Databases: PostgreSQL · SQL · Firebase / Firestore

Engineering & Quality: Git / GitHub · GitHub Actions / CI · Selenium · Automated Testing · API Testing · Postman · Debugging

Automation & Additional: AWS Lambda · API integrations · Workflow automation · Figma · UI/UX

Projects

DevFlow Hub

Java 21 · Spring Boot · React · TypeScript · PostgreSQL

Full-stack project-management application with a REST API, PostgreSQL persistence, JWT authentication, role-based access, document authorisation, automated back-end/front-end tests and CI.

https://github.com/danielatorresalmeida/DevFlow_Hub

Portfolio Website

HTML · CSS · JavaScript · Selenium

Responsive bilingual portfolio with accessibility features, keyboard navigation, automated Selenium/visual checks and GitHub Pages deployment.

<https://github.com/danielatorresalmeida/Portfolio-website>

To-Do List App

React · TypeScript · Firebase

Application with authentication, synchronisation, Google Calendar integration and logic tests.

Basic Music App

Python · FastAPI · Spotify API

Back-end application using Spotify OAuth and API integration.

Earlier Education

Diploma in Viola d'Arco (8th Grade) - Final 16/20 | 2006 - 2018

Kitchen Management & Production (Level V) - Final 16/20 | Escola de Hotelaria e Turismo de Setúbal · 2015 - 2016

Science & Technology Track (Biology & Geology) - Final 15/20 | Escola Secundária de Vergílio Ferreira · 2013 - 2015

Additional Information

Education: 12th Grade, Secretarial & Administrative Work (Secondary Education, Level 3).

Languages: Portuguese - Native; English - Very good spoken and written command.

Driver's licence: Light vehicles.

FPCT & Professional Interests

FPCT: Seeking a 400-hour curricular FPCT in Software Development from 1 March to 20 May 2027.

Career goal: Progression into a Junior Software Developer position, if possible.

Professional interests: Software Development, Full-Stack Development, Front-End Development, Back-End / APIs, Automation and Applied AI.
